**Human Book Title:** Yellow Star – Red Star

**Human Book Topic::** Surviving the Holocaust

**Human Book Description:** Yellow Star - Red Star (Dr. Agnes Kaposi) was born in Hungary in 1932, a year before Hitler came to power. She started school at the outbreak of World War II. Many of her family and friends were murdered in the Holocaust, together with half a million other Hungarian Jews, but a series of miracles and coincidences allowed her to survive. She worked as a child labourer in the agricultural and armament camps of Austria and was liberated by a rampaging Soviet Army.
